Dear Friends of CANHAVE and the orphaned children we support:

CANHAVE turns 30 this year!

We began in 1995 to support five orphans in Uganda whose parents died of AIDS. This year, 2025, marks the 30th anniversary of that initial commitment, and we continue at this time to give help and hope to some 61 children and youth who continue in primary and secondary schools because of our ongoing support.

We thank all who have contributed in the past, and invite you to renew support in 2025 as we go forward. Two short video clips recently received from CANHAVE graduates have been posted to our website and can be viewed at:

The annual meeting of CANHAVE is scheduled for **Wednesday, June 18, 2025 at 7 p.m.** at Parkwood Church, 10 Chesterton Drive, Ottawa. We invite you to attend. Those who have made financial contributions during the past year are eligible to vote on the matters presented at the annual meeting.

We welcome your interest and support. Donations can be made either by e-transfer to donate@canhave.org or by cheque through the mail to 10 Chesterton Drive, Ottawa, ON K2E 5S9. One-time or monthly donations can also be made through CanadaHelps.

Donations of securities can also be a great way of sharing accumulated resources with those having none. These can be arranged through our broker, by completing the form required for processing, which is available on our website and can be downloaded here:

<https://canhave.org/wp-content/uploads/2024/03/Donation-of-publicly-traded-securities-1.doc>

After completing the form, please file one copy with your broker who will arrange the transfer of shares to CANHAVE Children's Centre Inc., and send a second copy to the treasurer of CANHAVE at tjmcburney@bell.net or by mail, who will ensure that a donation receipt is issued.

By whatever means you can share, all donations help in enabling children to gain basic knowledge and life skills to succeed. Those who have done so remain grateful for the help given by CANHAVE — help that absent parents could not give. May you be blessed as you seek to bless the orphaned children in Uganda!

Your gift in this our 30th anniversary year helps us to remain faithful to aid those for whom aid is vital. Thank you again.

James T. Hurd,
President, CANHAVE Children's Centre Inc.
